EXECUTIVE SUMMARY

THE SITES:

Bloom is a new mixed-use community designed to create harmony between the modern world and the beauty of nature. The vision is to share a unique view of the world through colorful art, unique shapes, diverse patterns, and unexpected designs, bringing people, homes, plants, art, and programming together with dynamic, highly experiential spaces. Bloom will include approximately 1,600 – 2,000 homes, combining a mix of apartments, condos, townhomes, and single-family homes with a pedestrian parkway creating high connectivity between the commercial and residential areas. Available sites are well suited for a variety of uses such as retail, medical, hospitality, fitness, office and more.
